KEVIN WISHING TO SPEAK TO OFC

P26: I picked up the phone and spoke with Kevin. He was concerned for the well being of his child because his daughter's mother, Julia, was at a residence he was not familiar with. Kevin wanted a welfare check done, but was unsure exactly where Julia and Madeline, his daughter, were at. I advised I would contact Julia over the phone and speak with her about the matter.

I contacted Julia and spoke with her. She stated Kevin is very controlling and constantly harasses her. I advised Julia that Kevin just wanted a welfare check done. She stated the child was fine and would not tell me where she was at.

I called Kevin back and advised him of what Julia said. He was advised it was probably in his best interest to leave her alone until their next court hearing for child custody. He stated this was fine.

Shortly after Julia came into the station and showed me a note Kevin had left on the windshielf of her car. It read as follows: "you are going to lose custody of Madeline for being an unfit parent, taking her to shady places. Why won't you answer my calls, must be up to no good as usual. Grow the fuck up or give up the baby." I called Kevin back and advised him again to just leave Julia alone until his next court date. Again, he stated he would. END/RDK
